Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Mission

Junior Achievement of Southwestern Indiana, Inc. is a non-profit organization dedicated to educating elementary school, middle school and high school students about the free enterprise system. The Organization's primary support is primarily from the contributions of businesses and individuals.

Basis of Accounting

The financial statements of Junior Achievement of Southwestern Indiana, Inc. are prepared on the accrual basis, where revenues are recognized when earned and expenditures are recognized when incurred.

Basis of Presentation

Financial presentation follows the U.S. generally accepted accounting principles promulgated by the Financial Accounting Standards Board. Accordingly, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted assets, temporarily restricted assets, and permanently restricted net assets.

Temporarily Restricted Net Assets

Temporarily restricted net assets are those whose use by the Organization has been limited by donors to a specific time period or purpose.

Pledges Receivable

Gifts of cash and other assets received without donor stipulations are reported as unrestricted revenue and net assets. Gifts received with a donor stipulation that limits their use are reported as temporarily or permanently restricted revenue and net assets. When a donor stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Unconditional gifts expected to be collected within one year are reported as their net realizable value. Unconditional gifts expected to be collected in future years are reported at the present value of estimated future cash flows unless considered immaterial. The resulting discount is amortized using straight line method and is reported as contribution revenue.

Conditional gifts depend on the occurrence of a specified future and uncertain event to bind the potential donor and are recognized as assets and revenue when the conditions are substantially met and the gift becomes unconditional.

A provision for doubtful pledges receivable has not been established as management considers all accounts to be collectible. Management closely monitors outstanding balances throughout the year and writes off to bad debts all balances that are considered uncollectible.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investments

Investments in equity securities having a readily determinable fair value and all debt securities are carried at fair value. Realized and unrealized gains and losses are reflected in the statements of activities.

Income Tax Status

The Organization is recognized as a non-profit organization, under Section 501(c)(3) of the Internal Revenue Code, by both federal and state taxing authorities and is exempt from income taxes. The Organization has been determined to not be a private foundation. The Organization is not aware of any activities that would jeopardize its tax exempt status.

Fair Value Measurement

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting standards set a framework for measuring fair value using a three tier hierarchy based on the extent to which inputs used in measuring fair value are observable in the market.

<u>Level 1 Inputs</u>- Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets and liabilities.

<u>Level 2 Inputs</u>- Inputs other than quoted prices in active markets that are observable either directly or indirectly.

<u>Level 3 Inputs</u>- Unobservable inputs in which there is little or no market data, which requires management to develop their assumptions.

Inventory

Inventory consists of program supplies and is stated at the lower of cost, (determined by the first-in, first-out method), or market.

Cash and Cash Equivalents

For purposes of the Statements of Cash Flows, the Organization considers all investments with a maturity of three months or less at the date of purchase to be cash equivalents.

Reclassifications

Certain amounts in the June 30, 2017 financial statements have been reclassified for comparative purposes to conform to the presentation in the June 30, 2018 financial statements.

Deferred Revenue

Sponsorships and fees received in advance for future events are recorded as deferred revenue. Recognition of revenue occurs when the event takes place.

Equipment and Depreciation

Equipment is carried at cost, if purchased, or fair market value, if donated. Expenditures for equipment costing in excess of \$500 or that materially increase the estimated useful life of assets are capitalized. Maintenance and repairs are charged to expense as incurred. Gains or losses on the disposition of property are recognized. Proceeds from the disposition of property are transferred to the current unrestricted fund unless restricted by the donor of the property. Depreciation is computed on the straight-line method based on estimated useful lives ranging from 5-15 years. Depreciation expense for the years ended June 30, 2018 and 2017 were \$18,767 and \$19,436, respectively.

Concentration of Support and Revenue Sources

Support and revenue from two special events represent 30% and 34% of total support and revenue for the years ended June 30, 2018 and 2017, respectively. The current level of the Organization's operations and program services could potentially be financially impacted without funding from these special events.

Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in the total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2017, from which the summarized information was derived.

NOTE 2- INVESTMENTS

The Organization receives donated services from a variety of unpaid volunteers to assist in the programs of Junior Achievement. No amounts have been recognized in the accompanying statement of activities because the criteria for recognition of such volunteer effort have not been satisfied.

NOTE 4 – FUNCTIONAL EXPENSES

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and in the statements of functional expenses. Accordingly, certain costs have been estimated and allocated among the programs and supporting services.

NOTE 5- RETIREMENT PLAN

The Organization has established a (SIMPLE IRA) retirement plan. Under the plan, employees may contribute up to \$12,500 (\$15,500 for employees who will be at least fifty by the end of the year) of their pre-tax compensation and the Organization will match up to 3% of each participating employee's pretax contribution. Plan expenses incurred for the years ended June 30, 2018 and 2017 were \$10,065 and \$6,918, respectively.

NOTE 6- LEASE COMMITMENTS

On August 1, 2012, the Organization entered into a sixty-month lease beginning November 1, 2012 to lease office space. On May 30, 2017, the Organization elected to extend the initial term of the lease for an additional five year period beginning November 1, 2017 and ending October 31, 2022. Total rent expense for the years ended June 30, 2018 and 2017 were \$26,883 and \$23,419, respectively. Future minimum annual lease payments are as follows:

Years Ending June 30,

 2020
 28,095

 2021
 28,095

 2022
 9,364

\$ 93,649

NOTE 7 – RISKS AND UNCERTAINTIES

Financial instruments, which potentially subject the Organization to concentrations of credit risk, consist principally of cash and cash equivalents. At times, such cash and cash equivalents in banks may be in excess of the FDIC insurance limit. Credit risk with respect to cash and cash equivalents is minimized by using high-credit quality financial institutions.

The Organization invests or holds a variety of investment vehicles, including mutual funds and corporate bonds. These investments are exposed to interest rate, market, credit and other risks depending upon the nature of the investment. Accordingly, it is reasonably possible that these factors will result in changes in the value of the Organization's investments, which could materially affect amounts reported in the financial statements.

NOTE 8 – DEFERRED REVENUE

Deferred revenue when invoiced is recorded as accounts receivable and an offsetting entry to deferred revenue. For the years ended June 30, 2018 and 2017, \$12,500 and \$39,500 was outstanding, respectively. Deferred revenue consisted of the following at June 30:

	<u>2018</u>	<u>2017</u>
Fundraising Events	\$ 27,500	\$ 52,720
Programs & Activities	300	<u>16,700</u>
	<u>\$ 27,800</u>	<u>\$ 69,420</u>

NOTE 9- PLEDGES RECEIVABLE

Due in one to five years	<u>120,265</u>	<u>315,575</u>
	<u>\$.374,341</u>	<u>\$ 453,813</u>

No pledges due in one to five years were recorded at present value because of immateriality.

NOTE 10- ENDOWMENT FUND

As of June 30, 2018, the Board of Directors has designated \$125,539 of unrestricted net assets as a general endowment fund to support the mission of the Organization. Since that amount resulted from an internal designation and is not donor-restricted, it is classified and reported as unrestricted net assets.

The Organization has a spending policy of appropriating 4% of the average of the prior three December 31 (year-end) balances, calculated on January 1 and available for distribution immediately following calculation upon the board's discretion. A distribution left in the endowment will be considered part of the corpus of the endowment and not be available for distribution at a later date.

To achieve this objective, the Organization has adopted an investment policy that attempts to maximize total return consistent with an acceptable level of risk. Endowment assets are invested in a well-diversified asset mix, which included equities and fixed income securities, that, is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution of 4% while still growing the fund.

Composition of and changes in endowment net assets for the year ended June 30, 2018 are as follows:

Board –designated endowment net assets, beginning of year	\$ 120,762
Investments	0
Investment Income	5,686

NOTE 12- AGENCY ENDOWMENT FUND- PERMANENTLY RESTRICTED

During the year, Junior Achievement of Southwestern Indiana, Inc. Dubois County established an Endowment Fund with the Dubois County Community Foundation, Inc. of which the funds were subsequently transferred to the Organization. The Organization has granted the Foundation variance power which gives the Foundation's Board of Directors the power to use the Fund for other purposes in certain circumstances. The Fund is subject to the Foundation's investment and spending policies. The fair value of the Fund is recorded as an Agency Endowment Fund in the statement of financial position and reports distributions received as investment income. Changes in the value of the Fund are reported as gains or losses in the statement of activities.

Balance at July 1, 2017 \$ 0

Transfer from Dubois County 91,210

Balance at June 30, 2018 \$91,210

NOTE 13- HEALTH AND WELFARE BENEFITS TRUST

The Organization has a self-funded medical, dental and other benefits plan covering full-time employees of the Organization and their beneficiaries and covered dependents. The plan is accounted for like a multi-employer plan. Premiums are paid into the Health and Welfare Plan for each participant by the participating employers. Employees of the Organization, JA Worldwide, Inc. and employees of Junior Achievement USA chapters can participate in the Health and Welfare Plan. All assets and liabilities of the Health and Welfare Plan are held in the Junior Achievement USA Health and Welfare Benefits Trust (Benefits Trust). Accordingly, no balances or transactions of the Benefits Trust are recorded in the financial statements of the Organization.

NOTE 14- SUBSEQUENT EVENTS

The Organization has evaluated subsequent events and transactions through September 13, 2018, the date the financial statements were available to be issued. There were no subsequent events that require recognition in the financial statements.
